
**THE GOD
WHO KNOWS — ME.**

We all ask ourselves:
“who are you?” or
“What does it mean to be
who you are?”

“However, few people
choose their identities.
Instead, they simply
internalize the values of their
parents or the dominant
cultures”

If you are struggling with “Knowing” God in these 8 areas; then, ask yourself:

1: Am I relying on something or someone else for my identity other than a relationship with God the Father?

2: Do my opinions or thoughts change around others?

Or, if you “Known” by God in these areas — ask for the Holy Spirit to take you deeper into your relationship with him!
